

## KAW VALLEY ENGINEERING

### **FOR IMMEDIATE RELEASE:**

#### **KVE Welcomes Five Summer Interns In Its Lenexa Office**

**Junction City, Kansas, June 4, 2010**

Kaw Valley Engineering, Inc. (KVE), provider of consulting civil and geotechnical engineering services, is pleased to welcome five summer interns to its Lenexa office: Dillon Goins, Samuel Hegarty, Elizabeth Riedel, Cody Sawtelle, and Nicole Schneider. Each of these interns will work in KVE's Lenexa Materials Testing Lab.

Dillon Goins is a Civil Engineering student at the University of Arkansas. He has worked previous summers at Sutherland Lumber Company and Block Commercial Real Estate Company. Dillon is from Leawood, Kansas. Dillon will return to the University of Arkansas this fall.

Samuel Hegarty is a Civil Engineering student at Kansas State University. He previously worked at Arvada Cemetery, Inc. and as a Civil Engineering Intern at Kansas State University. Samuel is from Arvada, Colorado. Samuel will return to K-State this fall.

Elizabeth Riedel is a Civil Engineering student at Kansas University. She previously worked as a Para-Professional at the Blue Valley School District. She is from Overland Park, Kansas. Elizabeth will return to Kansas University this fall.

Cody Sawtelle is a Civil Engineering student at Kansas University. Cody worked as a Research Assistant for a KU professor conducting concrete weathering research during the past year. Cody is from Olathe, Kansas. Cody will return to Kansas University this fall.

Nicole Schneider is a Civil Engineering student at Kansas University. She was a KVE intern during the summer of 2009. Nicole's hometown is Lenexa, Kansas. Nicole will return to Kansas University this fall.
